

Relais de Chambord, located opposite the Château de Chambord, in the heart of the largest enclosed forest park in Europe, is 2 hours from Paris. This 4-star boutique hotel, affiliated with Small Luxury Hotels of the World, is elegantly and warmly decorated. Inseparably linked to its environment, the hotel defines its atmospheres and activities in harmony with nature and its seasons.

Combining tradition and modernity, it offers 55 rooms and junior suites, as well as a room in a « toue », a typical regional river boat, located in the foothills of the Château de Chambord. You can also take advantage of the spa by Nuxe to relax during your stay.

A HISTORICAL WONDER

Château de Chambord is the largest of the Loire Valley castles, an extravagant masterpiece by François I and an emblem of the Renaissance. Its 5,440 hectare park is a real sanctuary for fauna and flora, where deers and wild boars live alongside all kinds of birds.

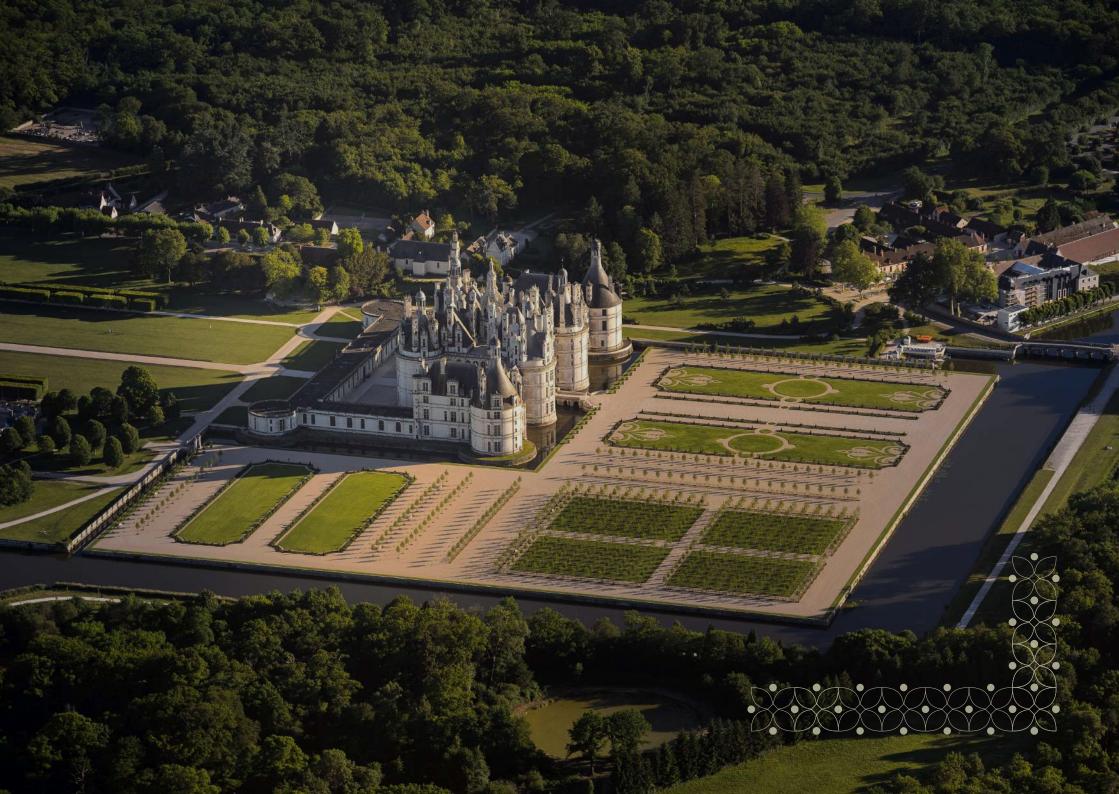

A FAIRY TALE WEDDING

During the festivities, our Cheffe, Rita Silva, will surprise you with the flavours of his dishes.

DO YOU IMPOSE SERVICE PROVIDERS?

HOW TO BOOK?

We will always do our best to provide you with good advice and experience. Nevertheless, as our core business is the hotel business, we are mainly there to advise you on spaces, accommodation and catering. You can choose your service providers by yourself or ask for advice from a wedding planner if you want the help of a professional to organize your wedding.

Nothing is imposed! Except for the catering part, which is managed by Relais de Chambord. You are fully free to choose the services of your choice. We require a technical visit so that they can see the location and validate delivery and logistic issues.

We invite you to contact our Event manager, Nolwenn Le Falher, at +33 (0)2.54.81.01.01 or +33 (0)6.32.00.82.90.
