

Artist Corner at Relais de Chambord

Autumn 2026

This autumn, Relais de Chambord is delighted to welcome two artists in residence as part of its Artist Corner: an artistic interlude at the heart of the estate.

From the 2nd to 4th of September, the painter Lucas will set up his easel in the hotel garden for outdoor oil painting sessions, with a view of the château. He will round off his residency with an introductory masterclass on 4 September.

From 24th to 26th of October, the poet Océane will offer guests a bespoke poetry experience: a poem written in front of you, calligraphied on a card created especially for the occasion.
